• What can we do to improve sustainability and reduce our impact on the environment? How engaged are we?

• Are our laboratory tests representative of in service behavior?

• New ways of manufacturing: is the surface treatment and painting ready?
A UNIQUE INTERNATIONAL EVENT

SURFAIR offers great business opportunities and networking

✔ THREE DAYS OF CONFERENCES carefully selected by a high level Technical and Scientific Committee including aeronautic and aerospace experts, and focusing on techniques and industry prospects, painting innovations, new clean technologies, special processes, sol-gel applications, metal parts preparation, environmental challenges...

✔ AN EXHIBITION AREA with the opportunity for companies to present their product(s)/skill(s) and exchange with delegates

🎉 A GALA DINNER on May 13th with a chance to network during a typical Basque evening

🎉 THE SURFAIR AWARDS’ CEREMONY on May 14th just before the closing lunch: at the end of the three-day conference, the SURFAIR committee will reward the best presentations and present four prizes: the Jury’s Award, the Award for Innovation, the Award for Technique and the SURFAIR Award 2020

WHO SHOULD ATTEND?

A congress that gathers international manufacturers, airlines, suppliers and experts in materials and surface treatments.

300 DELEGATES FROM 17 COUNTRIES

Delegates’ function and department 2018
